

The smart CMS for global enterprises

Intelligently connecting people, processes and information
and ensuring your content is ready for the future

Squirro is a global leader in AI-driven search, insights and automation, transforming data into actionable knowledge for over a decade

Tridion + Squirro: Transforming data into intelligent content for informed decisions and efficient content management

Are you struggling with...

- Gathering, searching and extracting information for reuse in content creation?
- Ensuring that content is consistent, traceable and insightful?
- Streamlining the content lifecycle across various channels?

We can help!

With Tridion as your content management system + AI solutions by Squirro, you can...

- Seamlessly integrate data sources, ensuring content creation is grounded in meaningful data
- Provide intelligent content that fuels insights, enhancing decision-making quality
- Ensure content compliance and reusability, resulting in efficient omnichannel publishing

With the Tridion + Squirro solution, you can expect...

- More informed decisions and more relevant content
- Improved overall operational performance
- End-to-end compliance
- Maximized content agility and reuse
